

About Us

At Illume - Advanced Dentistry, we believe great dental care starts with empathy and expertise.

Founded by Dr. Jerry Joe—a highly qualified specialist with 12+ years of experience in prosthodontics, implants, and orofacial pain—Illume blends advanced treatments with a gentle, patient-first approach.

Our friendly, well-trained team is dedicated to making every visit smooth—ensuring you feel heard, cared for, and confident in your smile.
